2 Adjust the driver side temperature using the TEMP buttons, and the passenger side temperature using the PASSENGER TEMP buttons.

Garage Door Opener

The garage door opener can be programmed to operate garage doors, gates, entry doors, door locks, home lighting systems, security systems, and other devices.

The garage door opener (HomeLink® Universal Transceiver) is manufactured under license from HomeLink®.

The HomeLink® compatible transceiver in your vehicle has 3 buttons which can be programmed to operate 3 different devices.

Programming HomeLink®

1. Hold your hand-held transmitter within 3 inches of the HomeLink® buttons.
2. Press and hold down the desired HomeLink® button.
3. For U.S.A. owners:

   While pressing the HomeLink® button, press and hold down the button on the hand-held transmitter until the indicator light changes from a slow to a rapid flash.

   For Canadian owners:

   While pressing the HomeLink® button, repeatedly press and release (cycle) the button on the hand-held transmitter every 2 seconds until the indicator light changes from a slow to a rapid flash.

If your garage door is of the rolling code type:

4. Press the training button on the motor-head unit in your garage.
5. Press and hold the vehicle's programmed HomeLink® button for 2 seconds and release it. Repeat this step once again.

   If the door does not open, press and release the same button once again.

n Programming other devices

For U.S.A. owners:

To program an entry gate, see the Owner's Manual.

To program other devices, contact your Lexus dealer.

For Canadian owners:

To program all other devices, follow the same procedure as for garage door programming.

n Operating HomeLink®

Press the appropriate HomeLink® button.
The indicator light should come on.

Ashtrays

▶ **Front**

To remove the ashtray, push the release lever.

▶ **Rear**

To remove the ashtray, press down on the plate and lift the ashtray out.

To raise the rear sunshade, press the switch. Press the switch again to lower it.

The sunshade automatically lowers to ensure visibility when reversing.

Compass
To turn the compass on or off, press the switch.

Trunk Storage Extension

Longer items can be loaded in the vehicle by utilizing the trunk space and rear seat area.

1 Pull down the rear armrest.

2 Open the inside trunk door from the trunk and load baggage or other items.

Luggage Mat

Pull the lever upwards when lifting the luggage mat up.

The lever can be hooked on the edge of the trunk.

Safety Connect (If Equipped)

Safety Connect is a subscription-based telematics service that uses Global Positioning System (GPS) data and embedded cellular technology to provide safety and security features to subscribers. Safety Connect is supported by Lexus' designated response center, which operates 24 hours per day, 7 days per week.
Safety Connect service is available by subscription on select, telematics hardware-equipped vehicles.

System components

1. Microphone
2. LED light indicators
3. "SOS" button

Services

Subscribers have the following Safety Connect services available:

- **Automatic Collision Notification***
  In case of either airbag deployment or severe rear-end collision, the system is designed to automatically call the response center. The responding agent receives the vehicle's location and attempts to speak with the vehicle occupants to assess the level of emergency. If the occupants are unable to communicate, the agent automatically treats the call as an emergency, contacts the nearest emergency services provider to describe the situation, and requests that assistance be sent to the location.

  *: U.S. Patent No. 7,508,298 B2

- **Stolen Vehicle Location**
  If your vehicle is stolen, Safety Connect can work with local authorities to assist them in locating and recovering the vehicle. After filing a police report, call the Safety Connect response center at 1-800-25-LEXUS (1-800-255-3987) and follow the prompts for Safety Connect to initiate this service.
  In addition to assisting law enforcement with recovery of a stolen vehicle, Safety-Connect-equipped vehicle location data may, under certain circumstances, be shared with third parties to locate your vehicle. Further information is available at Lexus.com.

- **Emergency Assistance Button (SOS)**
  In the event of an emergency on the road, push the “SOS” button to reach the Safety Connect response center. The answering agent will determine your vehicle’s location, assess the emergency, and dispatch the necessary assistance required.
  If you accidentally press the “SOS” button, tell the response-center agent that you are not experiencing an emergency.
- **Enhanced Roadside Assistance**
  Subscribers can press the “SOS” button to reach a Safety Connect response-center agent, who can help with a wide range of needs, such as: towing, flat tire, fuel delivery, etc. For a description of the Enhanced Roadside Assistance services and their limitations, please see the Safety Connect Terms and Conditions, which are available at Lexus.com.

Subscription

After you have signed the Telematics Subscription Service Agreement and are enrolled, you can begin receiving services.
A variety of subscription terms is available for purchase. Contact your Lexus dealer, call 1-800-25-LEXUS (1-800-255-3987) or push the “SOS” button in your vehicle for further subscription details.

Lexus Enform with Safety Connect (If Equipped)

Lexus Enform and Safety Connect are subscription-based telematics services that use Global Positioning System (GPS) data, embedded cellular technology an XM® satellite data services to provide safety and security as well as convenience features to subscribers.

Lexus Enform and Safety Connect services are supported by Lexus' designated response center, which operates 24 hours per day, 7 days per week.

Lexus Enform service is available by subscription on select, telematics hardware-equipped vehicles.

For details, refer to the "Owner's Manual" and "Navigation System Owner's Manual".

Services

▶ **With an active Lexus Enform subscription, the following features are available:**

- **Safety Connect features (→P.49)**
  - Automatic collision notification*1
  - Stolen vehicle location
  - Emergency assistance button (SOS)
  - Roadside assistance
- **Destination Assist**

  Destination Assist provides you with live assistance for finding destinations via the Lexus Enform response center. You can request either a specific business, address, or ask for help locating your desired destination by category, such as restaurants, gas stations, shopping centers or other points of interest (POI).

  After you tell the agent your choice of destination, its coordinates are sent wirelessly to your vehicle's navigation system.
- **eDestination**

  With the eDestination feature, you can go online, via the Lexus.com owner's Web site, to select and organize destinations of your choice and then wirelessly send them to your vehicle's navigation system.

  You can store up to 200 locations online to access and update at any time.

  Your locations can be organized into up to 20 personalized folders.

  You must first go online at www.lexus.com and go to the "Owners" section where you will need to register and log in. After this, you can create your personalized folders containing the locations you wish to send to your vehicle. (See Lexus Enform Guide for more information.)
- **XM® Sports and Stocks*2**

  XM® Sports and Stocks is a service included with XM® satellite radio subscriptions for Lexus Enform vehicles. With this service, you can receive updates via the navigation system on your personally selected sports teams and stocks.

- **XM NavWeather™*3**

  The subscription-based XM NavWeather™ service allows the navigation system to display weather information on the map.

- **XM® NavTraffic*3**

  The subscription-based XM® NavTraffic service allows the navigation system to display traffic information on the map.

▶ **The following navigation-based Lexus Enform features are available without a subscription:**

- **Lexus Insider**

  Lexus Insider is an optional service that can send audio messages, or articles, to participating owner's vehicles via the navigation system. Potential Lexus Insider subjects might include, for example, Lexus vehicle technology tips, updates on regional Lexus events, or audio excerpts from Lexus Magazine articles. Up to 20 articles can be stored at a time.

- **Voice Command**

  The voice command system enables you to operate the navigation system, audio system and hands-free system by giving a command.

*1: U.S. Patent No. 7,508,298 B2

*2: Available at no extra charge with an active XM® satellite radio subscription.

*3: Available via separate XM® subscription(s).

Subscription

After you have signed the Telematics Subscription Service Agreement and are enrolled, you can begin receiving services. A variety of subscription terms is available for purchase.

Contact your Lexus dealer, call 1-800-25-LEXUS (1-800-255-3987), or push the "Destination Assist" button in your vehicle for further subscription details. XM NavTraffic® and XM NavWeather™ require separate XM® subscription(s). XM® Sports and Stocks is available with an XM® Satellite Radio subscription. After a 90-day free trial, you must set up the appropriate XM® subscription(s) to continue receiving these services.
